

E card from the Chair,

19.7.16

Greetings all,

The weather is unbearably hot, the golf is very expensive, what am I doing here?

I have taken a break and I am currently in LA heading to a family reunion in Vegas and will return on the 30th July so this update will be brief. In my absence Ian Taylor will be holding the fort with help from the rest of the team.

Your Committee is pleased to announce the appointment of Terry Dalziel to the position of Manager. Terry will take up her role on the Mon. 29th August 2016 and we look forward to her arrival. We will send out some background information in due course.

The 30th July will see the return of the Wellington Maori Golf Association Open. It has been sometime since we hosted one of their famous tournaments and we would like to make this an annual event in our calendar so please support this event by registering at the office today.

You will be aware that the AGM is not too far off (28th August) and we need members to think about the contribution they can make to our club. The Golf Committee limped home with only 3 members, including the Club Captain, and the Course Maintenance and Development Committee ended the year with 2 including the Chair. Once again there may be a number of the Management Committee members who will step down this year so if we are to fulfil our vision of being vibrant and sustainable we need people to step up to the TEE and put themselves forward. It would be great if we could get representation from some of our younger members as this is where the future of the club will come from.

A warm welcome to Tall Poppy Real Estate on the 13th tee. Brendon Heenan has been a keen member of the club and has seen an opportunity to partner with us and we would like to thank him for his support. Tall Poppy real estate is reasonably new to the area, however Brendon is not and you will be aware of his knowledge, skills and experience in the property business so if you require assistance do not hesitate to give Brendan a call on his mobile 027 4792772

Club Champs are under way but not without the odd bit of confusion here and there. Can I just say we are getting there slowly. Good luck to you all.

Our Women's Mary Award/Tuakana had a gripping final and they were beaten by RWGC with only one point in it. They first place in the celebrations according to WGI representatives.

Happy Golfing  
Bella
